

Subject name	Level 1 Aim Awards Diploma in Skills for Working in Creative and Design Industries.
Description	The idea is to produce a portfolio of photographs and a series of different types of film, from documentaries and interviews to music videos and short films. We utilise different locations to enable a variety of topics and environments in which to produce the work. With the help of the tutor, the group members devise the topics and subjects, develop and write scripts, direct their work and then utilise editing software, mix the film and audio, to produce films and present their work.
