

JOB DESCRIPTION Food TEACHER

Line Manager: Head of Creative Media

Stone Soup Academy

We are an Ofsted Outstanding award winning (TES Alternative Provision School of the Year 2020) Alternative Provision set in the Historic Lace Market in the centre of Nottingham.

Our vision is about 'Creating Unimagined Futures' for our young people but we know that we do the same for our staff community. We are seeking equally outstanding qualified Teachers or aspiring Teachers educated to degree standard to join our amazing team. We are looking for colleagues with a desire to make a difference with commitment to outstanding teaching and learning is key.

Perhaps you are tired of classes of 30, feeling unappreciated, having no work/life balance. Suffering under a mountain of paperwork which takes your focus away from what you trained to do, making a difference to young people. Or perhaps you are starting your career and you are looking for a supportive community to support you to be the best that you can be. We appreciate and care for our staff and we have just been nominated this year for the 2022 TES Award for staff wellbeing.

Join us and we will change your life!

Our school supports up to 100 young people in KS3 and KS4, who for a variety of reasons mainstream education just didn't work for them. Now we are able to support them in small classes of up to 8 learners and with all the early intervention that they need to make a difference to their lives and their futures. We encourage personal growth and academic progress through unconditional positivity and through leading by example. It clearly works as 83% of our students achieved Maths and English GCSE and 100% went onto education, training and work last year, not bad for students who were all but written off in mainstream!

Stone Soup Academy has a great team of experienced staff, we have great facilities, great IT, you will have a brand new set of iMacs for September 2022. and we are in a great location with tram, train and bus links a stone's throw away.

If you have a great sense of humour, tons of resilience and a good heart then please get in contact, come and have a chat and let's put the world to rights.

Job Purpose

- 'Creating Unimagined Futures' for all students and the community of Stone Soup Academy.
- To ensure that all of our students who have opted for Food leave the academy with a qualification in Food.
- To ensure that high quality learning takes place to enable good and outstanding student progress through effective teaching
- To promote and deliver high quality extra-curricular learning
- To actively participate in activities in support of the aims of the Academy
- To be familiar with and follow all Academy policies in particular those related to safeguarding
- To promote the welfare of children

Accountable for: Learning, progress, outcomes, safety and welfare of students, both in classes taught and within a designated pastoral group

- To ensure the delivery of high quality teaching and learning opportunities for the students of Stone Soup Academy
- To prepare and teach appropriate, engaging and challenging lessons
- To ensure that ICT is an integral part of the curriculum
- To contribute towards the production of schemes of work and programmes of study for each year group
- To keep abreast of current developments in the educational field to enable effective curriculum planning
- To assess students' work and report on progress as required
- To promote student progress and well-being with due regard for discipline and health and safety
- To monitor student progress throughout the subject
- To participate and contribute to appropriate meetings and staff development
- To take responsibility for the effective care and guidance of a tutor group
- To effectively monitor the academic performance of students within a designated tutor group
- To work closely with parents/carers
- To promote the Academy within the community
- To demonstrate a keen interest in the life of the Academy
- To complete data tracking and reports for your area.
- To deliver whole school literacy and numeracy strategies within your subject area
- To report regularly to the SENCO on progress of students
- Any other duties as reasonable requested by the Principal

As a member of staff at Stone Soup Academy you are expected:

- To work in accordance with, and in support of the Academy's vision and values
- To contribute to the Academy's ethos by setting a good example to colleagues and young people
- To take part in performance management activities and reviews as required by the Academy's policy and use the process to develop your personal and professional effectiveness
- Any other duties as reasonable requested by the Principal
