1. Introduction

- 1.1 This document sets out the admission arrangements for Stone Soup Academy. The Academy Trust, as the admission authority for the academy, must approve in advance any changes to the arrangements set out in this document. The Academy Trust will act in accordance with equalities law.
- 1.2 This policy has been framed with due regard to the amended Alternative Provision (AP) School Funding Agreement, in particular Annex B Admissions, as updated in May 2012.

For more information please see –

<http://www.education.gov.uk/schools/leadership/typesofschools/freeschools/a0074737/free-schools-model-funding-agreement>.

Stone Soup Academy will also pay due regard and follow the advice set out in Annex C (Arrangements for students with SEN and disabilities) of the same AP Funding Agreement document, as it applies to admissions.

- 1.3 We already work very closely with a number of City schools and academies. We have a robust admissions process which referring organisations must follow before a young person starts their education with us. We are determined for the school to continue to be seen as a partner in fulfilling the educational needs of the local community. We have established excellent working relations with other schools locally. We are an equal opportunities, non-discriminatory school and we therefore welcome applications for admission of young people from diverse backgrounds and with varying needs. Each admission is considered on a case-by-case basis to ensure that the students we admit are ones who will benefit from the education provision we offer. The academy operates a fair, objective and transparent admissions system that includes a complaints procedure – ***Please see item 5 below.***

2. Admission Arrangements

- 2.1 In accordance with DfE guidelines (Ref: Free Schools in 2013 - DfE, 2011) “Children of compulsory school age can only be admitted to an alternative provision Free School by being referred from local authorities, schools and Academies using their existing referral powers or duties”.
- 2.2 Alternative Provision Free Schools therefore, will have different arrangements for admissions from Mainstream Free Schools. The table below sets out the powers and duties, which Local Authorities, schools and Academies have to refer to alternative provision (DfE 2011).

Circumstances	Commissioner (responsible for referring the student and paying the per student fee)	Type of referral
Child is permanently excluded or cannot attend mainstream education e.g. because of illness	Local authority*	<ul style="list-style-type: none"> ● Full-time, unless there are medical reasons why this would not be appropriate (full-time provision can be made up of part-time provision from two or more providers). ● Long term or short term - dependent on local authority view on whether reintegration is appropriate and bearing in mind the child's right to suitable and full-time education. ● Education must start by the sixth day of permanent exclusion but can start earlier.
Child has a fixed period exclusion	Academy or school	<ul style="list-style-type: none"> ● Full-time. ● Short term – child can only be excluded on a fixed period basis for a maximum of 45 (school) days in an academic year. ● Education must start by the sixth day of a fixed period exclusion but can start earlier.
Child's behaviour needs improvement, for example to prevent permanent exclusion	Academy** or school	<ul style="list-style-type: none"> ● Full-time or part-time (but if part-time, child must still receive full-time education, which can be made up of part-time provision from two or more providers, one of which may be their Academy or school). ● Short or mid term – referral cannot last beyond the end of the academic year in which it is made and must be reviewed at least every 30 days by the governing body of the referring school.
<p>*Except in areas where a new approach to exclusions is being trialled, under which schools take responsibility for permanently excluded students. Your local authority will be able to confirm if it is taking part in this trial.</p> <p>**Academies have the power to refer students to off-site provision. This power comes from their general powers to advance education (which comes from the object of the memorandum and articles of the Academy Trust). Though these placements are not covered by the same legislative safeguards that apply to students referred by maintained schools,</p>		

best practice would be to establish relationships with your referring Academies so that they make referrals on the same basis and have regard to the appropriate safeguards (which are set out in brief in the third column).

In keeping with the above guidelines, all admissions to the Stone Soup Academy Free School are made via a referral process (using the attached referral form – See Appendix 1). Requests to admit students to Stone Soup Academy are restricted to identified commissioners that include, but are not exclusively, Nottingham City Council, Nottinghamshire County Council, Nottingham City Schools and Academies as well as schools and academies in Nottinghamshire and Derbyshire.

- 2.3 The places available at Stone Soup Academy for the academic year 2023/24 is 100 across KS3 and KS4.
- 2.4 Stone Soup Academy may set a higher place number than is published for any specific year. Students will not be admitted above the published place number unless exceptional circumstances apply. Before any changes to admission numbers are made the school will consult with the Education Funding Agency (EFA) re potential changes. Only in the case of any agreement (concerning any 'exceptional circumstances') with the EFA will the school then report such matters to the Secretary of State.

3. Referral Criteria

- 3.1 Successful referrals to Stone Soup Academy are most likely where the following conditions are met for a particular student:
1. That full time mainstream provision is not deemed appropriate
 2. That a personalised education and behaviour program will stabilise school circumstances and aid progress and achievement
 3. That there is a clear need for the structure, regime, routine and consistency of Stone Soup Academy
 4. That full background details are made available from the placing authority or school
 5. That the interest of the young person is protected
 6. That support available to the young person from other agencies prior to placement continues
 7. That the referral is not a direct substitute for provision already identified in a statement of special educational needs. If specific support is mentioned in an EHCP, then the school/LA referring the student to Stone Soup Academy needs to continue to fulfil specific tasks or by negotiation and agreement, devolve the task(s) to the Stone Soup Academy. This may also involve discussion re funding.
- 3.2 Stone Soup Academy presumes that all students with BESD will be educated full-time in local mainstream schools unless there is strong evidence to the contrary. Where evidence does exist Stone Soup Academy expects that it will be gathered as part of a rigorous process of assessment based on the application of relevant and purposeful action over time and in accordance with national guidance. Included within this process should be the consideration of advice from a range of professionals and close family members.

3.3 Referrals for individual support are received from schools using the official Stone Soup Academy referral form and must be with the full consent of parents or carers. For students not on the roll of a school referrals are received directly from the Local Authority (LA) and should be sent to SSA accordingly.

All school-based referrals should include IEPs, PSPs or the equivalent, together with review documentation, an incident log and a covering statement. Individual plans should identify the areas that are causing concern, time-related targets and provide a clear programme of action showing how the learner is being supported, when and by whom.

At Stone Soup Academy we also have detailed pro formas set up to maximise information gathered on each incoming student and his/her needs, together with agreements which need to be signed before admission. Please see the following:

- Appendix 1 – Stone Soup Academy Referral form
- Appendix 2 – Off site consent form
- Appendix 3 - Service level agreement
- Appendix 4 - Single roll transfer form
- Appendix 5 - Termination of placement contract

3.4 For students unable to attend school for mental health reasons linked to depression, anxiety or phobia, referrals should also include advice from the Education Welfare Service and CAMHS. Other medical advice may also be considered although Stone Soup Academy reserves the right to confirm this through CAMHS. All advice should focus on the extent of the learner's condition and their overall capabilities.

Having received a referral the Stone Soup Academy will acknowledge its receipt and based on the documentation will discuss the intended level of intervention required with the referring school.

In cases where a higher level of difficulty leads to consideration for long term off-site support, schools will be asked to set up a planning meeting to explore in greater detail the needs and capabilities of the learner and the nature of the provision required.

3.5 All placements will be reviewed at termly intervals to determine their feasibility. The basis will be both formal and informal depending upon circumstances. The Principal will make decisions regarding appropriateness of placement after consultation with all concerned parties. If appropriate to the needs of a student we will support a return to mainstream education, this occurs rarely. Our primary concern is not to put the student's progress at risk; it is often the case that where our style of education is supporting that progress, a return to mainstream education might be detrimental. In all cases, we work closely with the referring school or provider to ensure that the provision made for the young person is absolutely in his or her best interests, and offers the best opportunity for achieving solid outcomes.

3.6 For Key Stage 3 students, however, there will be a different emphasis, again where appropriate to enable students to be re-integrated into the mainstream for Key Stage 4 wherever possible.

- 3.7 Stone Soup Academy endeavours to offer successful personalised education packages to all children who are admitted. Sometimes, however valid the placement seems, it may become evident that a young person's stay at Stone Soup Academy will not work in their best interests. We aim to provide the most suitable education provision to best match the needs of each individual student. We endeavour to tailor each young person's provision to suit their individual requirements. However, if the young person requires specialist provision more than we are able to offer (e.g. residential psychiatric assessment and support) or if we are otherwise unable to meet their needs, we will review each case on its merits to agree (in the student's best interests) a more appropriate option for all concerned.
- 3.8 In all circumstances, however, the Secretary of State may direct Stone Soup Academy to admit such a student and that direction shall be binding on Stone Soup Academy.
- 3.9 Regarding key Stage 5 (KS5) admissions, we follow the same rules that apply to post 16 mainstream schools. By this we act in a fair, clear and objective manner. We intend to use the same criteria as listed in 3.1 above, in this case using ONLY categories 3-7.

4. Oversubscription Criteria

- 4.1 Where there are more applications for places at Stone Soup Academy than are available, a waiting list will be held and operated by the Principal. On a place becoming available, and to ensure that vulnerable young people are offered a school place as soon as possible, places will be prioritised to students based on the following criteria:
- Looked after Children, or formerly Looked after Children;
 - Children who are homeless;
 - Vulnerable children, i.e. where child protection procedures are on-going;
 - Children who have been out of education for two months or more (where more than one child meets this criterion the period of time beyond two months will be used to prioritise any application);
 - Children from the criminal justice system or student Referral Units who need to be reintegrated into mainstream education;
 - Children with unsupportive family backgrounds for whom a place has not been sought;
 - Children with special educational needs, disabilities or medical conditions (but without a statement);
 - Children who are young carers;
 - Children of Gypsies, Roma, Travellers, refugees and asylum seekers;
 - Length of time out of education.

5. Complaints Process Criteria

- 5.1 Admissions Appeals arrangements are not statutory regarding AP schools. However, at Stone Soup Academy we want to be as fair, objective and transparent as we can with all stakeholders regarding our admissions procedures.

- 5.2 Commissioners have the right of appeal against the refusal of a place at the Stone Soup Academy for which they have applied. Commissioners wishing to appeal must contact the school to find out the procedure contained within our Complaints policy.
- 5.3 The Commissioner of any child who is refused a place at Stone Soup Academy has a right of appeal to an Independent Appeals Panel. The panel consists of three people who are independent of the school Body and the Local Authority. The panel will consider the circumstances of the case put before them. Both Stone Soup Academy and the Commissioner must abide by the decision it makes.
